

What Are YOU Supporting?

Have you given much consideration to what you are actually supporting through your regular activities? It's hard to deny that we often unintentionally support things for which we are not in favor. For example, in 2002 Americans spent an estimated average of \$34.71 on monthly cable TV subscriptions (according to the 2002 U.S. Census) and indirectly promoted the adultery, lust, greed, murder, violence, homosexuality, atheism, and blasphemy, among other things that were shown on channels included in the cable TV packages.

While supporting some undesirable things may seem out of our control, there are some good things that we can intentionally support. For example, for \$25 a month, you can watch the Kingdom of God grow. For \$25 a month, you can see individuals trust in Christ. You can see commitments of purity made. You can see commitments of service to God made. You can see preachers, missionaries, youth ministers, and church workers announce their calling. You can see trainings,

workshops, and seminars for Sunday School, youth ministries, community outreach, God-centered financial stewardship, and marriage counseling. You can see opportunities for pastors and ministers to be refreshed and encouraged. You can see events held that share the Gospel to unbelievers and motivate Christians to a stronger faith. For \$25 a month you can support this.

Currently, Camp Jacob has a support building effort underway called "Be One of A Thousand". This is an effort to get 1,000 individuals or families to commit to giving at least \$25 per month for twelve months or \$300 for the year. This is less than \$1 per day and less than what most people pay for TV. We already have several that give at this level or more, but we need you, your family, and friends to help us reach this goal of 1,000. I hope that you will join us in this effort. I also hope that you will encourage your acquaintances to join in as well and support the good things that can be accomplished through the ministries of Camp Jacob.
