

# CAMP JACOB, Inc

2723 Camp Jacob Road \* Clintwood, Virginia 24228 \* (276) 926 – 8960

Dear Bowl-a-thon Participants and Parents,

Thank you for your love and support for Camp Jacob. We are excited to announce the first-ever Bowl-a-thon at Camp Jacob along with our Walk-a-thon and our first-ever Sportsman's Challenge. This is going to be a fun series of events that will profit for the Lord's work and benefit you!

One of Brother Gary Hill's prayers while he was the director was to provide a way for campers to come to camp. This year, that prayer can be answered. We are personally going to help you raise the appropriate funds for camp, so no one will be short of funds for camp. The Bowl-a-thon will serve three purposes. First, its primary purpose is to help the camper come to camp without a financial hardship to the family. Second, it will help the camp pay off the present debt. Lastly, we are going to have fun. The Bowl-a-thon date is set for April 24, 2010. It will be held at Hillcrest Lanes in Norton, VA. Contact us for the directions if necessary.

In order to participate, we are asking you to **fill out the address form and return the address form back to us** so that we can send at least **20** mailers per participant. We ask you to do this for our records sake. We recommend listing people you know who would support you, such as family, friends, neighbors, co-workers, doctors, lawyers, dentists, accountants, etc. **Please fill out the form with full addresses before you return it to us. The deadline to return the list is March 31, 2010.** I have included a "Sample Contributor Letter" to show you what we will be mailing to the people on your list.

The campers who bring back their 20 addresses have their name put into a hat for a drawing of door prizes. After the first 20, every time you send us 10 more your name will be put into the hat. The first 10 participants will receive a special prize in the order that they come back. Every participant will receive a T-shirt.

Our plan is to have a fun time of fellowship while we uplift the Lord. Please call (276) 926-8960 for any further information or visit us on the website at [campjacob.com](http://campjacob.com). May God bless your efforts to benefit His ministry.

With sincere thanks,

David Osborne  
Event Coordinator
