

CAMP JACOB'S

SPORTSMAN'S CHALLENGE

Dear Sportsman's Challenge Competitor,

Thank you for your interest for Camp Jacob. We are excited to announce the first-ever Sportsman's Challenge at Camp Jacob, which involves a bass fishing tournament, an archery shoot, and a skeet shoot. The purpose of this event is to help wipe out the debt of the Tim Elkins Dining Hall. This is going to be a fun event that will profit for the Lord's work! You can be involved with *any or all* of the competitions. The archery tournament and skeet shoot are set for May 8, 2010. The fishing tournament is set for May 1, 2010. The exact times will be announced as the competitions draw nearer.

In order to participate, we are asking you to **fill out the address form and return the address form back to us** so that we can send at least **20** mailers per participant. We ask you to do this for our records sake. We recommend listing people you know who would support you, such as family, friends, neighbors, co-workers, doctors, lawyers, dentists, accountants, etc. **Please fill out the form with a full address before you return it to us.** Although, it is no cost to you, it is recommended that you give at least \$25 to support the same cause that you are asking other people to support. **The deadline to return the list is March 31, 2010.** I have included a "Sample Contributor Letter" to show you what we will be mailing to the people on your list.

There are regulations for this event to make it much more smooth and fun. Skeet shooters will follow basic NRA rules. Archers will follow NFAA rules. Anglers will follow basic NBAA individual rules. This is not a team event. We ask that each participant also follow the camp rules found at campjacob.com. Many prizes will be given away which include competition prizes, door prizes and participation prizes. Every participant will receive a T-shirt. Concessions will be available the day of each competition.

We'll see if you are going to be Camp Jacob's first Sportsman's Challenge Champion. Please call (276) 926-8960 for any further information or e-mail me at david@campjacob.com. May God bless your efforts to benefit His ministry.

With sincere thanks,

A handwritten signature in cursive script that reads "David Osborne".
