STANDARDS FOR SUMMER CAMP

Camp Jacob is a special place that is set aside for God's ministering. The Bible gives many examples in which God blessed humans because of their efforts to maintain holiness. It is our desire for God to bless and perform a mighty work in the lives of those who come to Camp Jacob. Therefore, we have adopted certain standards in an effort to maintain holiness at our camp. Here is a summary of these standards.

3. Ungodly printed materials are prohibited.
4. There is to be no mixed swimming.
