Activity Participation Options:

- **Walk** on either a one-third mile level course around the maintenance barn and in front of the lodge or a 2 mile course through the woods.

Participant Instructions:

Each individual participating in the Walk-A-Thon should have your own sponsor sheet. Participants should: 1) determine in which course listed above you will participate, 2) collect sponsorship (donations) for your participation in the Walk-A-Thon, 3) turn in your money and Sponsor Sheet at Camp Jacob on the day of the Walk-A-Thon, and 4) participate on May 1, 2010. You may wish to set a goal for yourself for number of laps or number of miles you hope to complete to give you a better sense of accomplishment. However, donations should be for mere participation rather than for a certain amount per mile or lap.

Don't forget to ask professionals that you regularly use, such as doctors, dentists, lawyers, accountants, and such to sponsor you. All participants who turn in at least \$50 with their Sponsor Sheet and participate at Camp Jacob on the day of the Walk-A-Thon will receive a free Camp Jacob t-shirt. Please be sure to thank the sponsors for their support of Camp Jacob, and may God bless you for your efforts. If you have any questions or are unsure about any of the requirements, please feel free to give us a call at (276) 926 – 8960.
